Yep. Perfect. Will call you then, unless you want to come by office.

Happy to meet and lend any OPA resources necessary to ensure that FOIAs are processed expeditiously and comprehensively.

Last week the National FOIA Center was moved from OEI to OGC. OGC runs a program called FEAT, as you may be aware, focusing on expediting and processing some of the more complicated FOIAs. FEAT was set up by Deputy Administrator Perciasepe due to problems with OEI processing. FEAT will continue to exist with OGC now working with the National FOIA Center, but we need to take additional steps.
